

**NOTICE OF CLOSE OF REGISTRATION
FOR THE FEBRUARY 28, 2012 ELECTION**

To the Qualified Electors of following jurisdictions:

Notice is hereby given that **Monday, January 30, 2012** is the last day to register to vote or change your address for the above stated election. The following Clerks will be in their respective offices during normal business hours for the purposes of accepting applications for registration in said Township or City.

Persons registering after **Monday, January 30, 2012** will not be eligible to vote at the Election. Only persons who have registered with the appropriate clerk of the county, city or township in which they reside, or through registration at a Secretary of State Drivers' License Bureau or other agency designated to accept applications for voter registration under Michigan Law, are registered electors.

Michigan Law requires that the same address be used for voter registration and driver license purposes. An address change submitted by an individual on a voter registration application form will automatically carry over to the individual's driver license record. Similarly, an address change submitted by an individual to update a driver license record will automatically carry over to the individual's voter registration record, after which the voter registration at the former address will no longer be valid for voting purposes.
